**What is Partnership Academy?**

This is a small learning community designed to establish a partnership between students, teachers and the business world. Providing academic rigor, enrichments and support, students learn under the guidance of a staff dedicated to connecting the expectations of the business world with lessons in the classroom.

**Business Partners**

The business community of Nevada County assists the **Partnership Academy** in many ways. Serving as motivational speakers and career mentors, many business partners have provided job shadowing and internships to help students better prepare for their futures.

**How Our Academy Works**

# 7 REASONS TO CHOOSE AN ACADEMY

- Education that connects with real life
- Contact and mentoring with business professionals
- Fun and enriching field trips
- Coordinated lesson plans between classes
- State-of-the-art television studio
- A safe, fun and challenging school environment
- Solid friendships and relationships with other students and teachers

Research indicates there is, and will continue to be, a need for an educated work force with specific skills.

As technology advances, there will be a demand for employees with a four-year degree and also for those with diplomas or college certifications which reflect an education geared toward today's technology.
