

Walkathon - Application for Funds

Name of Applicant: BRAD DALLAN

Department or Program Affiliation: Partnership Academy

Date: 3/15/16

Awards for the 2015-16 school year will be of a maximum amount of \$500 per recipient based on the funds generated by this year's event.

1. Describe the project for which you would like to request Walkathon funding.

Creating a sound booth/room. We would like to be able to make the Daily Diggins available to radio listeners on KVMR and KNCO. We have most of the equipments but we need a few more items to complete our sound room.

2. How will this funding help in the pursuit of our School Site Goals? Specifically, what School Site Goal(s) will be addressed? (see attached)

This funding will help 2 items mainly. Overall technology we need a recording device to record interviews and easily put them into the computer to edit. And the funding will directly affect communication among the school community. We will be able to get more information to more people write the items we need to complete the sound booth.

School Site Council Goals

2015-2016

1. Increase **proficiency rates on CAHSEE** census test for all students and subgroups.
2. Further develop and clarify departmental learning outcomes based on the CCSS and **improve consistency and integration of instruction** across the curriculum.
3. Establish NU as a school of excellence, offering **personalized learning opportunities** with clear pathways to college and careers:
 - Increase options with further development of UC A-G course offerings.
 - Enhance and develop CTE courses and career pathways.
4. All students will experience a **supportive and safe learning environment** by improving the culture and climate of the school.
5. Improve overall **technology** by:
 - Increasing the use of technology by students to prepare them for post-graduation, research and communication.
 - Increasing the availability and use of a variety of technological tools used for instruction in the classroom.
 - Increasing the use of our school website.
6. Provide a variety of venues for **communication** among the school community by:
 - improving avenues of communication between administration, students, staff and community
 - promoting greater administrative presence
 - designing opportunities for parents to become involved and aware of NUHS systems in place
7. Develop **site facility "project list"** for beautification, improvement, and upgrades for integration with District facilities plan.
