

School Site Council Goals

1. Increase **proficiency rates on CAHSEE** census test for all students and sub-groups (this goal *has been updated to CAASPP*)
2. Further develop and clarify departmental learning outcomes based on the CCSS and **improve consistency and integration of instruction** across the curriculum.
3. Establish NU as a school of excellence, offering **personalized learning opportunities** with clear pathways to college and careers:
 - Increase options with further development of UC A-G course offerings.
 - Enhance and develop CTE courses and career pathways.
4. All students will experience a **supportive and safe learning environment** by improving the culture and climate of the school.
5. Improve overall **technology** by:
 - Increasing the use of technology by students to prepare them for post-graduation, research and communication.
 - Increasing the availability and use of a variety of technological tools used for instruction in the classroom.
 - Increasing the use of our school website.
6. Provide a variety of venues for **communication** among the school community by:
 - improving avenues of communication between administration, students, staff and community
 - promoting greater administrative presence
 - designing opportunities for parents to become involved and aware of NUHS systems in place
7. Develop **site facility "project list"** for beautification, improvement, and upgrades for integration with District facilities plan.

WASC Action Plan Goals

- GOAL 1:** Create and implement a systematic process of **intervention** that addresses the needs of all students and student groups to ensure that all students will have the time and support needed to learn at high levels.
- GOAL 2:** Establish NU as a school of excellence offering personalized learning opportunities with **clear pathways** to college and careers.
- GOAL 3:** Nevada Union will develop as a **21st century school with the technological** infrastructure that prepares students to be Career and College ready.
- GOAL 4:** Further develop and clarify **departmental learning outcomes based on the CCSS** and improve consistency and integration of instruction across the curriculum.
- GOAL 5:** All students will experience a **supportive and safe learning environment** through improved communication among all stakeholders and by improving the culture and climate of the school.
