Meet Your Teacher

Hello! My name is Lisa Drageset and this is my 20th year as a teacher for NJUHSD and the start of my 11th year at Nevada Union. My husband is also a teacher at Nevada Union and I have two children attending NUHS this year. I enjoy spending time in my garden, home projects, camping and watching my kids play sports. I grew up in Greenville, California, a small rural community in Plumas County. I attended California State University, Chico where I earned a B.S. in Therapeutic Recreation, a minor in Special Education and I completed the credential program for Multiple Subjects and Education Specialist. I look forward to this school year and all of the possibilities.

Course Description

Basic Credit Recovery is a course that allows students to make-up classes that they did not previously pass. Specific course descriptions provided depending on the course that the student needs. This course is an opportunity for students to earn credits towards graduation requirements. Credit recovery courses are designed to help students learn at their own pace and on their own time. The flexibility and design of these courses empower students to focus on exactly the content they need to in order to catch up to their peers, recover lost credits, and graduate on time. As the teacher I can adjust courses to match their scope and sequence, or customize courses for concept or unit recovery, so students can focus on just the parts of a course they still need to learn.

***All courses offered will be modified to align with the student's IEPs.

Course Tools

- Students will complete the majority of their assignments through www.CyberHigh.com

Courses Currently Offered Semester 1

- [English 2A Cyber High Syllabus](#)
- [U.S. History A Cyber High Syllabus](#)

- [World History A Cyber High Syllabus](#)
- [World History B Cyber High Syllabus](#)
- [English 3B Cyber High Syllabus](#)
- [English 1A Cyber High Syllabus](#)

*NOTE: Additional courses are available. Cyber High Syllabus will be uploaded if students enroll in classes that are not listed above.

Essential Learning Outcomes (ELOs)

By the end of this course students will be able to:

- Reference the Cyber High Syllabus for your assigned course.

Participation Expectations

- You are expected to be on time and present for the entire class session. Attendance will be taken at the beginning and end of class.
- You are expected to conduct yourself in a professional manner in speech, dress, and behavior.
- You are expected to participate in all class activities, including, but not limited to classwork, homework, and discussions.

Work Expectations

- You are expected to check your grades on a daily basis.
- You are expected to complete a grade check every week.
- You are expected to work on IEP goals, transition activities and/or other teacher directed activities if you are all caught up in other classes.

Grading Policy

Assignments

You should expect homework every day. You are encouraged to develop a regular study time and place. Parents are strongly encouraged to help students develop and review the weekly calendars so that they can build a study plan for the week.

Note: Though you are encouraged to collaborate with peers when possible, all work turned in MUST be your OWN. No cheating or copying will be tolerated. All students involved will earn a "0" on that assignment and a phone call home.

Late Work Policy

All students are expected to submit homework on the due date. Late work will not be accepted after 10 school days. All IEPs accommodations for extra time will be implemented.

Grading Scale

It is highly recommended that both you and your guardian monitor your grades closely online. Grades will be updated weekly. If there are any concerns, please don't hesitate to contact me.

Weighted Grading Structure

Assignments = 50%

- Grade Checks, Assignment Logs, Classwork, Homework, Projects and Notes

Quizzes/Final Exam = 50%

Grading Percentage

- 90-100% A
- 80-89% B
- 70-79% C
- 60-69% D
- 59 and below F

Student Absences

Make-up work

- For any excused absences, you will receive full credit for any make-up work completed within the allowed time.
- If you know that you are going to be gone, you must get the assignments ahead of time. This will provide you with a better opportunity to keep on track while you are gone.
- Assignments that are due the day of the absence will be due the day you return.
- If you are planning on being gone for five or more days, an independent study contract must be obtained by you and brought to me at least two days before you leave. The assignments will be due the second day you come back. More time will not be given.
- This is an independent based course and if you do not complete it by the end of the semester then you may be eligible for an incomplete (I) on your report card. Together we will develop a plan for you to get caught up at the beginning of the next semester.

Note for Athletes, Field Trips, Band and Choir

There are times when a school sanctioned function or activity pulls you out of class. It is your responsibility to get your assignments BEFORE you are absent. Assignments are due the day you return.

Recommended Materials

Instructional Material/supplies

- Charged chromebook
- Internet Access
- Any additional and specific materials will be outlined in the Cyber High Syllabus

Support and Accommodations

This class is designed to support all students, including those with special needs. Please reach out if you need any specific accommodations to help you succeed in this course.

Contact Information
