

Principal's Weekly

Week #10 - October 25-29, 2021

Hello Miners, this is Principal, Kelly Rhoden. These weekly messages can also be found on our website at www.numiners.com on the "NU News: Media" tab select "[NUHS Principal's Weekly Messages](#)". Check the [Daily Diggins](#) for student specific daily information. You can sign up for these to come directly to your email as well!

[This week is a regular 4x8 weekly schedule:](#)

MEALS: Students are required to show their student ID to receive meals. They can also take a picture of their ID card to show as well. Each student has an ID number they can on the keypad if they are without their card. The reason ID cards are being required is that some students are taking more than one "free" lunch.

- If your student needs an ID card, please have them stop by the Student Store before school, at lunch or right after school. Replacement cards are \$5.00.

RESTROOMS: There are 10 restrooms open for students across campus. Each of these restrooms have multiple stalls. Restroom appropriateness has significantly improved. There are still minor issues throughout the weeks but student maturity has improved.

Continued Concern:

- Students should be using stalls one at a time.
- High school students should be respectful to all students on campus: Please go in, use the restroom, wash up and leave the restroom.
- Anytime there is more than one student in a restroom stall at one time, all of the students in the stall will be searched by the administration due to heightened concern over illegal activity in the stalls. I'm asking parents to engage again with your student. This is unacceptable behavior for any high school student attending Nevada Union.

LOST AND FOUND: Items can be retrieved and dropped off in the Student Store, now located in the front of the school. We have water bottles, clothing, blankets and shoes (flower print sneakers) from movie night and even an Apple Watch (bring charger, enter code, etc. to claim).

COVID TESTING: *Please check the website homepage for information.*

ATHLETICS:

With what seems to be ever changing protocols and guidelines from the state and local public health agencies, as well as the number of cases and/or quarantines and the AQI (Air Quality Index) from our school and the

opponents school, please be aware of the daily changes to our athletic events. The schedules can be found on our website @ www.numiners.com under the Athletics tab.
