For more information and prior year's reports, check out the [District website](#). The District site also has the full survey document for review purposes. 9th and 11th grade students will be taking the survey in class soon.

MEALS: Students are required to scan their student ID card or enter their student number on the keypad.

Students are required to have an ID card and it is beneficial for them to carry one so that they aren't having to touch a keypad to enter their ID. Students will receive one lunch each day with their ID card or ID number.

- If your student needs an ID card, please have them stop by the Student Store before school, at lunch or right after school. Replacement cards are \$5.00.

COVID TESTING: *Please check the website homepage for information.*

ATHLETICS:

With what seems to be ever changing protocols and guidelines from the state and local public health agencies, as well as the number of cases and/or quarantines and the AQI (Air Quality Index) from our school and the opponents school, please be aware of the daily changes to our athletic events. The schedules can be found on our website @ www.numiners.com under the Athletics tab.

[NUHS Athletics Schedules](#)

[Athletic Registration](#): Make sure you register your student to participate in sports now and in the future. This registration must be completed annually.

CLOSED CAMPUS: As a reminder to all, Nevada Union High School, as well as all campus' across the district have a CLOSED CAMPUS policy. Students should not be leaving during the school day without parent permission and supervision. Campus Supervisors will be monitoring parking lots and turning students around that do not have an open period or a note to leave school.

During the School Day:

- Parking lots are off limits
- The Church parking lots are off limits
- The trails to Sierra College and Briar Patch are off limits

Please stay on campus from Bell to Bell and avoid disciplinary action.

RESTROOM REMINDER: **There are 10 restrooms open for students across campus. Each of these restrooms have multiple stalls.** Restroom appropriateness has significantly improved. There are still minor issues throughout the weeks but student maturity has improved.

Continued Concern:

- Students should be using stalls one at a time.
- High school students should be respectful to all students on campus: Please go in, use the restroom, wash up and leave the restroom.
- Anytime there is more than one student in a restroom stall at one time, all of the students in the stall will be searched by the administration due to heightened concern over illegal activity in the stalls. I'm asking parents to engage again with your student. This is unacceptable behavior for any high school student attending Nevada Union.

CAMPUS SUPERVISORS: We now have 6 Campus Supervisors on campus to support safety and security on our campus. We are very excited to have built an incredible team that is dedicated to supporting students. These supervisors have gone through training for their position and continue with ongoing training. Students should use our campus supervisors as a resource when they have questions, concerns, or just need help navigating campus.

FUTURE EVENTS:

CALENDAR CHANGE: Due to the school closure on Monday, October 25, 2021, because of the power outage, ***school will now be in session Friday, November 12, 2021.*** Please adjust your calendars.
