BELL SCHEDULE this week: [Regular 4X8 Bell Schedule](#)

STUDENT CHROMEBOOKS: We have an increased number of students forgetting to bring their Chromebook to school with them. It is very important for students to come to school prepared. We don't have enough loaner Chromebooks to supply students with an extra one.

SENIORS:

SENIOR PROJECT QUESTIONS: If you have questions about your Senior Project please communicate with your Senior English Teacher. Kelsey Langel, Senior Project Coordinator is unavailable through January for personal reasons. Senior English teachers will be able to answer questions.

Seniors are doing great work toward their projects in class and many outside of class. They will all make it to the finish line.

As a reminder on our website @ www.numiners.com we have a Senior Project Check sheet under the information tab. [Senior Projects](#)

SENIORS: Still need a yearbook portrait? [Sign up HERE](#) to reserve an appointment at the Senior Portrait Pop-Up event here on campus on 11/30 & 12/1. Local professional photographers will be taking photos and submitting them so seniors can look their best in the 2022 NU yearbook. \$5 donation to NUHS Student Media gratefully accepted. Limited spaces available!

If you already have a high-resolution senior portrait that you'd like to see in the 2022 yearbook, please be sure to review the submission guidelines and tech specifications to make sure your image is ready and uploaded by the **DECEMBER 4th deadline**. [Guidelines and submission info](#) are linked here and also on the school website.

HEALTHY KIDS SURVEY:

California Healthy Kids Parent Survey (CHKS) is open now and closed on **Tuesday, December 7th**. The [parent survey](#) can be found on the Information tab on numiners.com. REMINDERS:

STUDENTS WITH OPEN PERIODS:

Students with "Open Periods" should be leaving school at the end of their last class on campus. Students with "Open Periods" are Juniors & Seniors who have met their credit requirements and are on track to graduate or in some cases these students are working on College Courses or attending classes at another school. In most cases, students have earned this time to go to work or go home. For this reason they should be leaving campus to eliminate disruptions for other students on campus.

If for any reason they have to wait until the end of the day they must do one of the following:

- Check into the Library and work on classwork quietly and respectfully until the end of the day
- Sit @ the tables on the front steps of the school to await a ride or the end of the day.

Students with "Open Periods" should not be attending classes they are not assigned to, wander around campus, or disrupt the learning environment on campus in any way.

NU MASK POLICY: Nevada Union has been following the Mask Policy as provided on the [website \(espanol\)](#). This policy flyer includes disciplinary actions.

CLOSED CAMPUS: As a reminder to all, Nevada Union High School, as well as all campuses across the district have a CLOSED CAMPUS policy. Students should not be leaving during the school day without parent permission and supervision. Campus Supervisors will be monitoring parking lots and turning students around that do not have an open period or a note to leave school.

During the School Day:

- ***Parking lots are off limits during the school day.*** Students should not be in the parking lots or in their vehicles during school hours, including lunch. If they forgot an item they need, they should first get a pass to the parking lots from the front office.

- **The Church parking lots are off limits**
- **The trails to Sierra College and Briar Patch are off limits**

Please stay on campus from Bell to Bell and avoid disciplinary action.

Closed campus also means that no deliveries are allowed. This includes Door Dash and other food deliveries.

OFF LIMITS DURING LUNCH: The ***Football Stadium is off limits during lunch.*** For safety reasons we are closing the Football Stadium during lunch.

FUTURE DATES:

CALENDAR CHANGE: January 26, 2022 will no longer be a minimum day. February 10th will now be the minimum day as we welcome all of the local junior high school 8th grade students to visit our campus for our Future Miner Invitational. This event is coordinated between NU & the feeder schools. NJUHSD is providing busing for the middle schools. If you have incoming 8th graders next year, please be on the look out for more information from your student's middle school.

Also on February 10, 2022, all parents/guardians and incoming 8th graders are invited to NU Preview for the 2022-2023 school year.

NU Preview Night: 5:30 - 7:00 PM

We will have presentations by the performing arts students as well a table fair to preview sports, activities, academics, clubs and many other offerings at NU. Please mark your calendars if you have current 8th graders who would like to check out NU for next school year. Enrollments and course choices will begin in January/February for the following school year. We will be posting the information on the website in the next week or so. **A new calendar will be published on the website soon.**
