

Principal's Weekly

Week #17 - December 13-17, 2021

Hello Miners, this is Principal, Kelly Rhoden. These weekly messages can also be found on our website at www.numiners.com on the "NU News: Media" tab select "[NUHS Principal's Weekly Messages](#)". Check the [Daily Diggins](#) for student specific daily information. You can sign up for these to come directly to your email as well!

NU has five temporary port-a-potties on campus between the Library/E-wing and by G-wing. These port-a-potties have been placed on campus as our restrooms are still being vandalized by students. Most of the damage has occurred in the boys restrooms. As bathrooms are destroyed, they are being locked for repairs. The repair costs in the past 4 months have exceeded thousands of dollars and the disrespect of campus restrooms is not stopping. The latest violation has occurred in our brand new Ag Restrooms. The District has placed port-a-potties at NU as well as working with our other school sites due to the ongoing destruction. Though we have had success in catching a few culprits it continues to be a challenge to determine who is damaging the restrooms. There are now QR Codes on the restrooms so that students can report damage or any other issues that may be occurring in the restrooms. We are including the QR Code in our weekly message as well so that students have the opportunity to report vandals without having to do so while on campus:
