The crowning ceremony will take place between the JV and Varsity games.

PARKING LOTS OFF LIMITS DURING SCHOOL HOURS:

Campus Supervisors will be monitoring parking lots and turning students around that do not have an open period or a note to leave school during the School Day:

- Parking lots are off limits
- The Church parking lots are off limits
- The trails to Sierra College and Briar Patch are off limits

Please stay on campus from Bell to Bell and out of the parking lots to avoid disciplinary action. If there are repeat violations, parking privileges will be revoked.

PARKING IN WRESTLING PARKING LOT FOR SPRING ATHLETES ONLY: In the Spring many of our Sophomores begin receiving their drivers license. This at times creates parking issues due to limited parking with the new drivers on campus. To help we will allow any *Spring Athletes the ability to park in the lower parking lot behind the Wrestling Gym and in front of the Tennis Courts.* ***Please see a campus supervisor for a parking pass if this option works for you.***

- Baseball, Softball, Track & Field, Swimming/Diving, Boys Volleyball , Golf, or Tennis Athletes
- Must follow all school rules regarding parking and driving on campus
- We allow Spring Athletes only because they tend to park their cars and stay through the evening.

SENIORS:

- **Place your order for your cap / gown / announcements from Herff Jones as soon as possible. The early bird pricing ended on 1/15/2022 but orders are still being taken!**

Seniors take a moment to fill out the form from Pete Totoonchie that was sent to Senior Email accounts regarding gown sizing. Herff Jones needs to place their orders ASAP to avoid production and shipping issues that have presented themselves with the advent of COVID. You will still need to finalize your order and pay for your cap and gown if you have not done so already.

- **Sierra College Workshops**

- Students must meet with Counselor Cindy Henry Grimm before you register for classes at Sierra College.
- A tutorial was emailed to all Seniors on how to schedule an appointment with your Sierra College transition counselor to choose courses for next year. COVID UPDATES:

Please remember that the best way to combat the effects of COVID and any other illness is to stay home if you are symptomatic. A negative COVID test is great but there are still illnesses out there and no one wants to get sick. Please keep your children home if they are symptomatic. They can return to school when symptoms improve and there is no fever without the use of medication. Thank you all for your patience.

MASKS: Are still required on campus while indoors at all times. Teachers and our front office staff do have masks available for students and guests on our campus. This continues to be an expectation. Please remind your students as we are seeing an uptick of concerns from students and staff that some students are fighting this mandate. Hang in there everyone...We will get through this together.

[MASK POLICY: NUHS & District Wide](#)

COVID TESTING: The testing resource information is on our [website homepage](#). We are still testing twice weekly in the Wrestling Gym for asymptomatic cases, staff, athletics, and after school programs.

NEW COVID GUIDELINES FOR STUDENTS:

Please refer to the District website with all the new COVID guidelines from Nevada County Public Health.

[Covid-19 Policies and Procedures](#)

The great news this week is that we will now be accepting the results from our Antigen test kits that we have been handing out to students. Test kits are only available for our NU students and staff. The County has made a decision affecting our schools which allows this change in process.

The highlights for students are:

1. No Contact Tracing for Close Contacts or Exposures
2. Everyone should be considered to be in quarantine right now, but can remain in school and participate in extracurriculars without restriction as long as they are healthy and not displaying any COVID 19 symptoms.
3. If they test positive - they must be out for 5 full days - no matter their mask status or vaccination status. **After** day 5 they can test, either at home or at school - and if negative, they can return.
4. Home tests are now accepted with a [signed document](#) which can be found on the [District's website](#).
5. Athletes participating in a non-masked sport must test 2 times a week at their school in order to participate. [Please refer to our homepage for the site testing days and times.](#)
