FOOD DELIVERIES TO CAMPUS: Any food delivery to campus by anyone other than a parent / guardian is not allowed on campus. We are having an abundance of students (and possibly parents) ordering food to be delivered to campus. Nevada Union is a closed campus and for security and safety reasons. No outside food delivery is allowed. Please have a discussion with your student to make them aware of this.

If you do deliver lunch to your student you will need to make contact with them to pick it up in the front office during the lunch period. All deliveries will be discarded at the end of the school day.

BREAKFAST & LUNCH are available in the cafeteria. Breakfast 8:00 - 8:20 AM. There are two smaller eateries on campus as well: Outside of the cafeteria and at the end of E wing. Please remember to throw away your trash to keep our campus looking nice.

FOOD PANTRY: In partnership with *United Way and Interfaith Food Ministry*, we are continuing the **NU on-campus Food Pantry** to help connect families with food. Due to safety protocols, we have pre-packaged grocery bags of food available. You can shop from our shelves. The Food Pantry is located on the NU Campus in G-5 and is open on Thursdays from 3:30 to 4:30. Please email June Gilfillan at jgilfillan@njuhsd.com if you would like to set up a different time to come pick up food if needed.

PARKING PASSES: **Parking stickers will be enforced starting September 20, 2021.** Students, if you have not picked up your parking sticker please see Tammy Shurte, Assistant Principal's Secretary in the Student Services Center at **lunch, during passing periods or after school** (not before school) next week.

PARKING LOTS: **PLEASE, PLEASE, PLEASE slow down while driving on the NU campus.** We have noticed an increase in diversions around the speed bumps and speeds well above 5 miles per hour. This is

notice for any driver on the NU campus. Please slow down. Students parking permits may be suspended if found in violation of rules to obtain and keep a parking pass.

CLOSED CAMPUS: This is a reminder to everyone that NU is a closed campus. That means that students are not allowed to leave campus during school hours which includes trips to your vehicle during school hours. Please be responsible and grab everything you need for the day when you exit your car in the morning.

CELL PHONES: Please see our [Electronic Policy](#) posted on our website. We are asking that students turn off their Cell Phones and put them away during class time, including during Flex period. All classrooms are No Cell Phone Zones. Cell phones will be sent to the front office and returned based on the Electronic Policy infractions.

DRESS CODE: Please see our [Dress Code Policy](#) posted on our website. Our expectation for appropriate dress code is to be work appropriate. Please review the dress code with your students.

CAMPUS EXPECTATIONS per the COVID-19 Protocols for our district as directed by CA Public Health Department and Nevada County Public Health are changing rapidly. We are doing our best to work under the guidelines provided to us.

- All Students, Staff, and Visitors to campus are required to **wear a mask indoors at all times**. There are no exceptions. We are seeing many students with masks completely missing, pulled down to the chin or resting below their noses. *This is not a time to be “cool” so please respect all students and staff and wear your masks appropriately and when required.*
 - Staff will have masks available for all students and visitors
 - Masks are available upon entrance at the front of school
- If you are **experiencing symptoms or have a known exposure**, contact our district health staff by using the following email address - covidreporting@njuhsd.com.
- Unless otherwise noted above, other [COVID protocols](#) remain in place.

COVID TESTING FOR MODIFIED RETURN TO SCHOOL: Testing is available to students who have been placed on Quarantine due to close contact with a positive case if students and families want to participate in a modified return to school. This means that students would test twice a week, with a negative test result, and be asymptomatic. In this case the student can continue to attend school in person. Students on a modified return cannot participate in any after school activities per CDPH.
